**Community:** CeDIn is a laboratory school affiliated to the Inter American University of Puerto Rico (UIPR) in its Metro campus in San Juan. Its High School is situated inside the main campus and has access to all institutional facilities and services.

**Mission:** Our mission is to provide a humanist education of excellence that is sensible to the changing world and prepares our students for college, fosters their integral development, and provides a space for the field and clinical experiences of UIPR students. CeDIn's educational process is framed by universal Christian ecumenical values; the valuation of knowledge; exposure to the arts, technology and sports; and the development of a Culture of Peace.

**School:** CeDIn High School is a comprehensive four-year college preparatory school; it has a preschool and elementary level at another campus. CeDIn is also the Laboratory School for UIPR's Department of Education, offering field and clinical interdisciplinary experiences for undergraduate and graduate students. UIPR is a private university with a Christian heritage and an ecumenical tradition. The school is accredited by the Middle States Association. Our curriculum offers innovative teaching methods, interdisciplinary integration and a constructivist approach to learning. We also offer outstanding Co-curricular Activities which include Fine Arts, Oratory League and Athletics among others. Over 50% of our faculty possess graduate degrees.

**Enrollment:** As of August 1st, 2025, the total enrollment for grades 9th through 12th, consists of 320 students. Each grade has approximately 80 students.

**Athletics:** 25% of our students participate in CeDIn's athletic program as members of the prestigious AECCA league, with 10% sports and 45 teams. The school has won multiple league awards: Most Valuable Player, League Champions, Tournament Champions and Sub- Champions.

**Co-Curricular/ Extra-Curricular Activities:** Students participate in multiple diverse activities, such as sports tournaments, Math competitions, Puerto Rican Culture Festival, and educational field trips. CeDIn's Musical Theater Program and its Popular Music Program (choir and bands) have won national accolades. The school has Student Council, National Honor Society and Model United Nations organizations. There are diverse clubs, such as STEM, Newspaper, Student Advisors, Environmental, among others. Our students take advantage of the vibrant intellectual and cultural life of the university by participating in many university activities such as forums, research and book presentations, cultural shows, debates and panels.
